The Cow had jump'd o-ver the moon before, So of course she knew the

They didn't get up to the moon af-ter all, And this is what peo-ple

say - The Cow tried to jump and she came down plump And was left in the "Milky

Way" The Dog stayed a-bove and mourn'd for his love And I've heard people say that

now, He lives as a *Star in the Heav'ns a-far- But I don't think he says Bow

WOW!

*Sirius the Dog Star.
